

- Install the game and complete the tutorial.
- Open the player menu on the top left of the screen :

- find your ID in the top right of the screen :

- Go to the website : <https://cdkey.lilith.com/warpath-global>
- Add your ID to verify your account.
- Then, you will receive a message in the game with a code :

French ▼

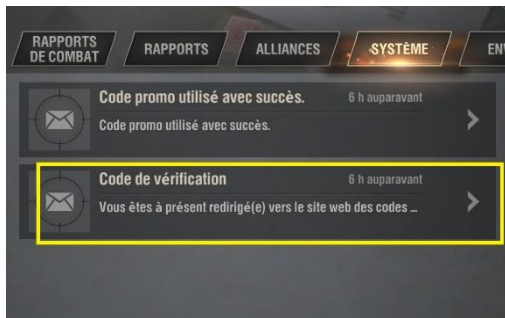

WARPATH

UID:

Code de vérification: [Comment trouver votre code de vérification](#)

[Comment trouver son UID](#)

- Open your messages
- Go to system and open the message with the code.

- Comeback to the website and enter the code.
- Then, enter the code « JCVD_2021 ».

A screenshot of the Warpath website's redemption page. At the top right, there are links for 'English' and 'Exit'. The Warpath logo is centered at the top. Below the logo, there is a 'Profile Name:' label followed by a dropdown menu showing '26-Makiboru-undefined'. Below that is a 'Gift Code:' label followed by a text input field containing 'JCVD_2021'. A large orange button labeled 'Redeem' is positioned below the input fields. At the bottom left, there is a 'Warpath' link, and at the bottom right, there is a 'Gift Code Guide' link.
